

# ATTN: INDUSTRIAL DISTRIBUTION STUDENTS

I want to welcome everyone back from summer vacation and wish you all a very successful year! This semester PAID has a very exciting schedule and has opened up more opportunities for members to get involved. Through PAID, you will be able to network with numerous companies and make connections that will benefit you in your future career or internship. PAID is the main channel companies use to recruit ID students, so if you haven't already, join today!

We are continuing the points system from last year, and distinguished members will be eligible to apply for two \$500 scholarships at the end of the semester. Below is a list of Fall 2008 PAID Events and the point value for each. Feel free to contact me at anytime should you have any questions. I look forward to seeing everyone at PAID events this semester!

Mary Beth Hebert  
 PAID President 2008-2009
