 - Helped my candidate become elected as the regional Vice President of the Western half of the US, I helped keep a schedule, conduct meetings, interviews and organized his campaign.

Experience

- Womack Machine Supply Houston, Tx Summer 2009
Trained as a customer service rep. and worked on an outside sales project with two other interns. It included cold calling, company visits and market research.
- Student Worker College Station, Tx Jan. 2009-Present
Work in the Construction Science department doing clerical work for the Industry Operations Department and the Advisor's Office.
- Alert Services Inc. San Marcos, TX Summer and Winters breaks 2005-08
I worked summers and winters in the receiving department, promoted to head of receiving in 2007. I was in charge of bringing in new inventory, counting it, recording it, and stocking it. Also, handle customer services on a daily basis on the products shipped. We distributed athletic and medical supplies to high schools, hospitals and professional sports teams.

Awards
